Tehnološki partneri / Key Technology Partners	Prodajni program / Product Linecard
---	-------------------------------------

MEINBERG - DE	
<p>Distribution for Croatia • Bosnia and Herzegovina • North Makedonia • Kosovo • Albania • Serbia • Montenegro www.meinbergglobal.com</p>	<p>NTP Time server • IEEE-1588 (PTPv2) Solutions • IRIG Time Code Systems • Frequency and Pulse Synchronisation • Standalone Computer Synchronisation • Industrial Time Synchronisation • Master Clock Systems • Antenna/Antenna Distribution/Accessories • Signal Distribution or Multiplication</p>

CAMILLE BAUER - CH	
<p>Distribution for Croatia www.camillebauer.com</p>	<p>Instruments • Heavy current engineering • Unifunctional devices • Multifunctional devices • Energiemanagement • Transmitters for angular position • Inclination transmitters • Process management • Temperature • Signal conversion</p>

DIGI INTERNATIONAL - US	
<p>Authorized Reseller for Croatia www.digi.com</p>	<p>Cellular Solutions (routers, gateways) • Serial Servers • Console Servers • USB and Serial Connectivity • Embedded Solutions • Digi XBee/RF Solutions</p>

BODET - FR	
<p>Distributor for Croatia www.bodet-time.com</p>	<p>Master clocks • Analog clocks • LED digital clocks • Wireless audio systems • IP audio systems • Clocks for outdoor, pools, railway</p>

ADVANTECH - TW	
<p>www.advantech.com</p>	<p>Industrial Servers & Storage • Modular IPC • Industrial Computer • Data Acquisition (DAQ) & Communication • Industrial Ethernet Switches • Fiber Networks • Serial Device Servers • Industrial Wireless • Industrial Fieldbus Gateways • Cellular Routers • USB to Serial Converters, Hubs and Isolators • Wireless Sensing Network • Serial Converters, Repeaters and Suppressors • Human Machine Interfaces • Automation Controllers & I/Os • Panel PC • Class 1, Division 2 Solution • Rackmountable Automation Computers for Power Substations: UNO-4000</p>

ARBITER SYSTEMS - US	
<p>Distributor for Croatia www.arbiter.com</p>	<p>Timing and Frequency • Synchronized Power Measurements • Power Measurement and Calibration</p>
